

Hello Kids on the ROCK!

### **CAMP NEWS!!!**

We will be doing **CANYONVIEW DAY CAMP** this summer! **YAHOOOOOO!!!**

Things will look different in many ways from what we are used to, so please read carefully. It is easiest for me to just make a list...

1. Campers will need to be dropped off and picked up each day at the camp. With social distancing requirements on busses, it is just not cost effective to use busses for transport.
2. All campers will be in groups of 10 or less and will stay with their group throughout the week.
3. All campers and staff are required to follow social distance guidelines during the entire time on camp property.
4. Kids will be able to swim and use the lake for boating and such. Social distancing will be respected; however, water safety will be the priority at all times in and around water.
5. Friday will be a “regular” camp day as there will not be a Family Night this year.

With all of this said, **DO NOT DISMAY!** Canyonview staff are working hard to make this summer’s camp super fun, with lots of things to look forward to every day.

You can register @ <https://www.canyonviewministries.org/se>

**COST:** \$125

(If you already registered your child at the higher original cost, Canyonview will refund you for the difference)

Please be aware (at the time of this email) that some of the items on the website have not been updated, such as times for arrival at the camp and Friday schedule.

**Please have your campers at Canyonview at 8:30 am each morning and picked up at 3:30 pm each afternoon.**

Information about lunches, swimsuits, water bottles, etc. are on the website.

Email me with any questions and I will respond as soon as possible during regular business hours. I am happy to help!
